

Spare parts summary roller table motors

Item No.	Designation
1.01	End shield D-end
1.02	Bearing cover, D-end, external
1.03	Bearing cover, D-end, internal
1.04	Disc spring / wave washer, D-end, not for roller bearings
1.05	Antifriction bearing D-end
1.06-1	V-ring D-end
1.06-2	γ-ring D-end
1.07	Flange end shield
1.08-1	Radial sealing ring 1, D-end
1.08-2	Radial sealing ring 2, D-end
1.09	Liner, D-end
2.01	End shield N-end
2.02	Bearing cover, N-end, external
2.03	Bearing cover, N-end, internal
2.04	Antifriction bearing N-end
2.05	V-ring N-end
2.06	Disc spring N-end (or D-end)
3.01	1 pair of motor feet
3.02	Fan
3.03	Fan cowl, plastics
3.04	Fan cowl, sheet steel
3.05	Fan cowl with canopy
3.06	Lifting eye bolt
4.01/4.02	Terminal box cover
4.03/4.04	Terminal box cover gasket
4.05/4.06	Terminal box base
4.07	Terminal box base gasket
4.08	Terminal plate
4.09	Cable gland
4.10	Screw plug
4.11	Cable gland for thermal winding protection
4.12	Terminal for thermal winding protection
4.13	Clamp
4.14	Sealing components
4.15	Adapter plate
4.16	Flat terminal box
4.17	Standard parts bag
5.01	Rotor, complete
5.02	Cooling body, D-end
5.03	Cooling body, N-end
6.01	Grease thrower ring, D-end
6.02	Grease thrower ring, N-end
6.03	Labyrinth gland, D- and N-end
6.04	Guide disc, D-end
6.05	Guide disc, N-end
6.06	Cover plate, D-end
6.07	Cover plate, N-end

Three-phase roller table motors/basic version ARB 22 – 65

(example in Serie IM B5, other series (IM B3 und IM B35) are possible,
delivered version may differ in details)

Three-phase roller table motors/special version AR. 112 – 355

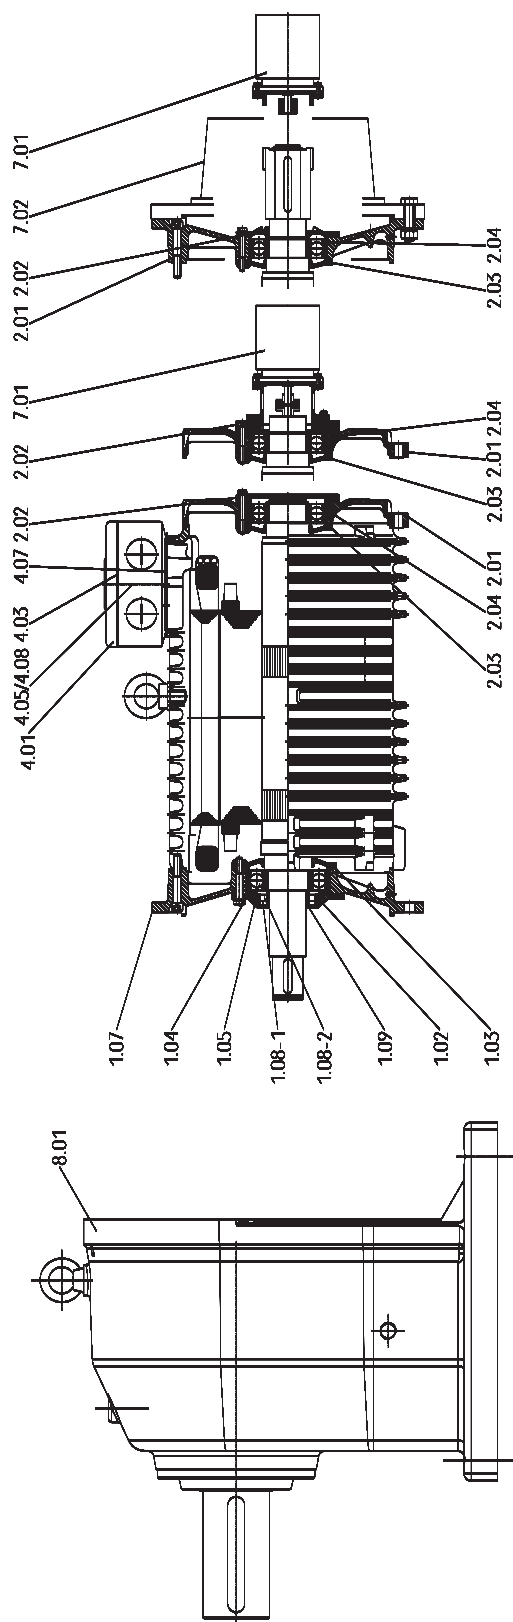

Version for built-on gear motors

Built-on speed-sensor or tacho-generator

Built-on brake

Built-on brake and speed-sensor or tacho-generator

(example, delivered version may differ in details)

Three-phase roller table motors/basic versions ARC 112 – 355

(example, delivered version may differ in details)
